

For more information, please go to Sheryl Blumenthal's website at www.littleone.us. Maybe you wish to host an event in your area. Personal phone consultations are a large portion of the work that Sheryl does. Many think that it best to be directly in the presence of the messenger, however this is not necessary in order to receive an energetically supportive session, no matter how far away you are. A CD recording will be created and mailed to you with your permission. Please, make your arrangements by calling 570-224-4237.

"I have had many sessions from Sheryl and each time I come away with a feeling of peace and love and acceptance. It's not just the words that come through her, but the experience of being one with her that is so profound. I can feel changes occurring throughout my being as she is speaking. Her gentle way is so soothing and *I never feel judged by her*. Many times I understand her reading in a certain way and then days or weeks later, I understand the true meaning of what she channeled. I honestly believe that Sheryl's gifts have guided me to places that I may not have been able to get to on my own. I am forever grateful for her love and for her insight."

We are immensely grateful to you for bringing illumination and heart-centered angelic love into our midst. And, again, your messages were *spot-on*. We will always be indebted to Susan Duval for bringing you to us." (Reverend Hannelore Goodwin,

"Sheryl, Yes-I know there are no accidents. It's clear in what I have been through where miracles saved me. And you, I hardly remember how we came to be friends, but I love you like you have been mine since kindergarten. Something just clicked. I am sure you are just as giving to everyone you meet... but, it is rare and I am grateful for you. You are my "go to person" when I feel like I will break. You always lift me up. Thank God for you."
